Some of the
Feedback, Opinions & Comments

11% with something additional to say

- You should add in different specific types of arts like, music, boxing, ...
- No not really but learning about companies that deal with technologies
- They should do this in our school.
- LA Flame
- How long is it?

- I hope I will accomplish my dreams
- Think it should happen
- Have guitar classes
- I think this will cool
- You should have a swimming pool
